D.No.3893/62.

Letter No.FOR-SR-1202 Dt. 17-5-1962 of the Divil. Commissioner, Belgaum.

1) P.U.D. is for perusal. The D.C., Karwar has submitted proposals for the release of land through the Divl. Commr., has stated that this is a proposal for the grant of 2 plots of 0-10-0 each in F.S.No.37 of Gorte village, Bhatkal Taluk to Sriyuts: (1)Irappa Durgappa; and (2) Durgappa Nagappa of Gorte village for construction of residential houses. He has also stated that the present houses of these applicants are situated in the area coming under the threat of tidal waters of the sea and that there is no suitable land . Hence the D.C. recommends that this may be considered as a special case and an area of 10 guntas each may be granted to the above applicants out of F.S.No.37 of Gorte village, Bhatkal Taluk.

2 The Divl. Commr., has however recommended after careful consideration that an area of 5 guntas (0-5-0) each will be sufficient to meet the requirements for residential purposes instead of 10 guntas as recommended by the D.C, Karwar, He has requested for orders of Government. However, before we take further action, R.D. may see for concurrence.

No.LND II/5/SR 32. Karwar, 28-3-1962.

Subject: Lands: Kanara
F.S.No.37, Gorte, taluka Bhatkal ...Grant of

Reference : Correspondence resting with District Health Officer, Kanara's No; Site/7113/1962 of 13-2-1962.

Sir,

In submitting herewith the papers of the case in two files(File I and II) on the above subject, I have to state as under:-

This relates to the grant of two plots of 0-10-0 each in F.S.No.37 of Gorte village in Bhatkal taluka to Sarva-Shri (1) Irappa Durgappa and (2) Durgappa Nagappa of the said village for construction of residential houses. Enquiry made reveals that the present houses of these applicants are situated in the area coming under the threat of tidal waters of the sea and that there is no other suitable land, either Government waste or forest, for grant to them. The Village Panchayat, Belke, has no objection to the grant. The Divisional Forest Officer who was consulted in the matter opines that there is no objection to the grant from forestry point of view and has suggested that Government sanction may be obtained to the grant as the area is situate within 5 miles from the Bhatkal Port. The State Port Officer, Mangalore, was, therefore, consulted and states that he has no objection to the grant of the area in question to the applicants as it is not likely to be required for the future development of Bhatkal Port(vide page 39, file II).

The District Health Officer, Kanara, certifies that the area is fit for residential purposes(vide page 73, file II).

According to the orders contained in G.R., A.& F.D.No. FDM 1054 of 28-1-1955, forest lands cannot be given to individuals for construction of houses. As, however, no other suitable site is available for grant to the applicants, Government may kindly be moved for disforestment and grant as a special case of the two plots measuring 0-10-0(gunthas) each as shown in the sketches at pages 59 and 7 of file Nos.I and II to the two applicants - Irappa Durgappa and Durgappa Nagappa respectively for residential purpose, subject to the usual conditions to be imposed by the Revenue Department after disforestment.

Yours faithfully,

O. C. Signed by the
Deputy Commissioner,

Belgaum. 17 -5-1962.

Submitted to the Secretary to Government, Agricultural and Forest Department, Bangalore agreeing with the Deputy Commissioner, North Kanara.

2. As the present houses of both the applicants are coming under the threat of tidal waters of the sea and as no other sites are available, the Forest Department have recommended the grant subject to taking of Govt. sanction in the matter (vide D.F.O's report on page 37 of File II). The State Port Officer has also no objection to the disposal of the land to the applicants (page 39 File II). Hence both the applicants deserve to be granted a plot of 5 gunthas each which is sufficient to meet the requirements for residential purpose, instead of 10 gunthas as recommended by the Deputy Commissioner.

In view of the instructions contained in G.O. No. RD 41. LMD 59 dated 16-4-1959, specific sanction of Govt. may kindly be obtained for grant of the land to the applicants, after dis-assigning it from the Minor Forest. Orders of Govt. may please be communicated early.
